Piping Rock Club was the scene of Head Injury Association's Annual Charity Golf Outing. Approximately 100 golfers enjoyed one of the most beautiful days of 2008 at this luxurious golf course. The event was emceed by **Ann Liguori**, WFAN sports

commentator. The most memorable point in the

program, was the heartfelt speech delivered by TBI survivor, Brian Canivan. Everyone in the audience was deeply moved. Among those in attendance were **Jerry Cooney**, former Heavy weight contender (long time friend of Head Injury Association) and **Gil Hodges Jr.**, son of the 1969 Miracle Mets Manager.
